# COLLEGE BUS SERVICE 2018

Victory College operates a fleet of air-conditioned buses with students being dropped off and picked up in the College grounds. Buses arrive at 8:45am and depart at 3:00pm.

## Terms of service:

- By booking a seat on the bus, parents acquire transportation to and from Victory College on all school days for their child(ren). Part bookings are not available.
- The booking period begins on the first day of transportation in a school year and ends at the conclusion of the same year.
- Bus fees for the booking period are billed at the commencement of the period by inclusion into school fee accounts.
- Bookings can be cancelled with one term's notice (e.g. notification at the end of term 1 for a cancellation at the end of term 2). Shorter notices will result in the full term being billed (e.g. notification mid-term 2 for a cancellation at the end of term 2 will result in term 3 being billed)
- At the beginning of each booking period, preference of seat allocation is given to existing students rolling over into the subsequent booking period, and their siblings.
- The College reserves the right to refuse access to its bus service and to administer appropriate disciplinary actions for students (including suspension from and cancellation of the bus service) at any time should the College deem this to be necessary. The Code of Conduct for Bus Travel applies.
