

College Bus Service Information 2023

VICTORY EST 1980 COLLEGE

Kindy to Year 12

VICTORY COLLEGE

College Bus Service 2023

Victory College operates a fleet of air-conditioned buses with students being dropped off and picked up in the College grounds. Buses arrive at 8:45am and depart at 3:00pm.

Terms of Service

- Applications for Bus Travel at Victory College are sent out to all existing College families and new enrolments at the end of Term 3 each calendar year. All bus routes, directions, times, and seating capacity are set at the end of Term 4 each year by Victory College.
- Arrangements for bus travel are for **one year only**. Should families wish to continue to access our bus service a new application is required each year.
- All Applications for bus travel for the next academic year must be returned to the College **by week five (5) of Term 4** to allow the College enough time to review its routes and allocation of buses for each run.
- **Some bus routes have limited places available and unfortunately on these occasions, if routes cannot be modified, applications will be processed in the order they are received. Should the College be unable to offer your child/children a bus seat immediately due to high demand, we will place your application on a priority waiting list.**
- Multiple destinations or pick up locations – a purchase of one seat on one bus allows you to access one pick up and drop off location on one bus route, it does not give access to multiple destinations on another bus route. Should you require an additional seat on a regular basis on a second bus, additional charges will apply.
- If a certain region has grown, the College may, from time to time, merge or modify its bus routes to ensure that as many College students as possible can benefit from the private bus service. The College ensures that as little disruption as possible occurs to bus departure/drop off times.
- Any non-permanent (one-off) requests for a change to a student's existing bus arrangements are to be made in writing to College Reception one week prior to allow the College time to process and confirm if the request can be accommodated.
- By booking a seat on the bus, parents acquire transportation to and from Victory College on all school days for their child(ren). Part bookings are not available.
- Bus fees for the booking period are billed at the commencement of the period by inclusion into school fee accounts.
- Should you change your address and therefore your bus pick up or drop off arrangements, you are required to submit a new completed Bus Application Form to College Reception.
- Bookings can be cancelled with one term's notice (e.g., notification at the end of term 1 for a cancellation at the end of term 2). Shorter notices will result in the full-term being billed (e.g., notification mid-term 2 for a cancellation at the end of term 2 will result in term 3 being billed)
- The College reserves the right to refuse access to its bus service and to administer appropriate disciplinary actions for students (including suspension from and cancellation of the bus service) at any time should the College deem this to be necessary. The Code of Conduct for Bus Travel applies to all students.

2023 Fee Structure

(subject to annual CPI increases which will be communicated at year-end)

1 student: \$970.96 per year

2 students: \$1,336.83 per year

3+ students:
\$1,758.98 per year
