RTO Number: 30583

AUR10120 Certificate I in Automotive Vocational Preparation

Qualification Description

This qualification is an introductory qualification to the automotive retail, service and repair industries and an entry to further training in several sectors. It is designed for application in a highly supervised context, such as VET in Schools (VETiS) or other equivalent introduction or induction to industry environments. The range of technical skills and knowledge is limited.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Refer to <http://training.gov.au> website for specific information about the qualification.

Entry Requirements

There are no entry requirements for this qualification.

Duration and Location

This is a one-year course for students in Year 10 on site at Victory College.

Course Units

To attain a AUR10120 Certificate I in Automotive Vocational Preparation, 8 units of competency must be achieved, 5 core units and 3 elective units, extra elective units are available to be taught dependent upon time:
