

**Victory College**

RTO Number: 30583

## **AUR20720 Certificate II in Automotive Vocational Preparation**

### **Qualification Description**

This qualification reflects the role of individuals who perform a limited range of tasks relating to identifying and inspecting mechanical and electrical components and systems of light vehicles, heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles. This qualification also covers the skills and knowledge required to perform minor maintenance and repair of an automotive vehicle body. The range of technical skills and knowledge is limited. No licensing, legislative or certification requirements apply to this qualification at the time of publication. Refer to <http://training.gov.au> website for specific information about the qualification.

### **Entry Requirements**

There are no entry requirements for this qualification.

### **Duration and Location**

This is a one-year course for students in Year 12 and a two-year course for students in Year 11 on site at Victory College.

### **Course Units**

To attain a AUR20720 Certificate II in Automotive Vocational Preparation, 12 units of competency must be achieved, 7 core units and 5 elective units, extra elective units are available to be taught dependent upon time:

### **Unit Code and Title**
